MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE  
ATTENTION: Mr. Reber

**HANDLE VIA TALENT  
CONTROL SYSTEM ONLY**

SUBJECT: Request for Approval of TALENT Billet (C)

1. It is requested that the following-listed position be approved  
as an Army TALENT billet:

Supervisory Electronics Engineer, U. S. Army Signal Intelligence  
Agency

2. JUSTIFICATION: Position is Chief of the Missiles and Electronics  
Division, USASIA, which Division includes the Missiles and Space Vehicles  
Branch. This Branch operates in the Technical Intelligence Secure Area.  
As Division Chief, this individual plans and controls the activities and  
reviews the output of this Branch, passes on the qualifications of engineers  
recruited, and assigns them to billets. The USASIA has the responsibility  
for intelligence on foreign equipments and activities corresponding to  
those U. S. equipments and activities for which the Chief Signal Officer  
has operational, research, and development responsibility. In fulfillment  
of this responsibility, the incumbent of the above-listed position has a  
need for access to all types of information relating to electronics,  
including missiles and space vehicles in order that he may intelligently  
and efficiently perform the foregoing duties.
